

# JDI Checklist: Tips for Leaving your Home Country

Things to remember for a smooth transition without emergencies.

## Mail

Change of Address

Setting up a new mailing address or forwarding service is crucial.

## Health

Medical Status

Bring necessary medications and check for needed vaccinations.

## Permits

Foreign Law

Traveling internationally requires permits, e.g. with pets - check in advance!

## Logistics

Organization

What to bring and how to ship determines cost, carrier choice & transport duration.

## Documents

Identification

Certified copies and translations are necessary for foreign applications.

## Residency

Signing Off

Don't forget to inform your home authorities about change of residency.

## Insurances

Proper Coverage

New travel, health, car or home insurance prevent crises in transit and overseas.

## Driving

Universal Permits

The international driver's license is required in most countries.

## Communication

New Language

Learn and know the basics and practice local terms for the new country.
