

JDI Checklist: Insights on Moving Internationally with Pets

Learn about risks and costs to allow smooth travels for your furry friend.

Restrictions

Foreign Law

Check the local laws in your new country about restricted animals, breeds or age.

Veterinarian

Medical Status

Verify with your vet the medication supplies, vaccinations & health status of your pet.

Documents

Records & Forms

Countries require veterinarian, health, export certificates & more.

Agency Service

Expert Help

If you hire a pet relocation agency, make sure they are USDA certified.

Airline

Requirements

Check with airlines for crate, layover and further requirements for the transport.

Finances

Total Cost

Insurance, customs clearance, carrier and processing fees can quickly add up!

Timeline

Project Duration

Make sure to plan ahead due to long processing, quarantine and wait times.
