

Checklist: Helpful Guidance for Buying a Vehicle

Everything you need to know for a safe and legal transaction.

Inspection

Vehicle Condition

Before you buy, get the vehicle professionally inspected to avoid surprises.

Vehicle Title

Notarization

The transfer of ownership/title needs to be notarized with both Buyer & Seller.

Insurance

Vehicle Protection

To have your car insured is mandatory and needed for registration.

Registration

Permit

The state vehicle registration is key to legally drive and operate your car.

Docume

Vehicle Reports

Based on the state you need the Bill of Sale, Odometer and Damage Disclosure.
